

# Warrior Run Education Foundation—60 for 60 Campaign

The Warrior Run School District complex marks its 60th anniversary during the 2018-2019 school year. To celebrate this milestone, the WREF is focusing its attention on a community based fundraising event. The goal is to raise \$60,000 to improve the sound system in the middle school auditorium and the equipment in the middle/high school fitness center.

The Warrior Run Education Foundation (WREF) supports students, teachers and the school by investing charitable assets to improve educational experiences and the physical environment. This includes grants for additional student programs, grants to teachers for the design and development of innovative academic, extracurricular or cultural enrichment projects, and support to campaigns for improvement of departments, fields and facilities that could not otherwise be funded or accomplished.

Funds established with the Warrior Run Education Foundation benefit the **Warrior Run School District** which has developed a **partnership with the Central Susquehanna Community Foundation (CSCF)** to manage and invest the funds.
