BLOOMSBURG AREA Community Foundation

Bloomsburg Area Community Foundation becomes an affiliate in 2018

"The whole is greater than the sum of its parts."

This famous Aristotle quote certainly holds true as we reflect on our past year. When individual parts are connected to form one entity, they are worth more than if the parts were in silos. The team at Central Susquehanna Community Foundation (CSCF) has come to appreciate that the Foundation is greater in its success because of the sum of its parts. Without board members, affiliate board members, fundholders, donors, grantees, and Foundation friends, we could not have had the remarkable year that we are so proud to highlight in this 2018 edition of our annual report:

- We are working with a new affiliate. Welcome aboard Bloomsburg Area Community Foundation! We are excited to announce this new partnership as we unite with their advisory committee to enhance the lives of the people who are served in the greater Bloomsburg area.
- Regional unrestricted giving fulfills the Foundation's mission of enhancing the quality of life across the valley. We held our first regional Impact Symposium this past June at Bucknell University, which provided an opportunity to bring more than 120 representatives from nonprofit agencies together to network, learn, collaborate, and provide take-away benefits of new ideas, strategies, connections, and resources. Taking the lead on this special convention expanded our role to nonprofit organizations in our region who are working so hard to make a difference for so many important causes.
- In addition, CSCF introduced its first grantround for the Regional Impact Fund to meet the ever-changing needs across the five and one-half counties that we serve. Through this unrestricted fund, the Foundation was able to award \$50,000 to 11 nonprofit organizations with amounts ranging from \$1,000 to \$10,000.
- We have made phenomenal strides launching our first giving circle. The Women's Giving Circle hosted their first grant awards ceremony this past March in Lewisburg where we presented \$20,000 to local nonprofit

organizations supporting women and girls through our region. These grants are helping agencies whose primary role is to reduce domestic violence, advocate for girls and teens in the child welfare dependency system, enhance enrichment and self-advocacy programs for women, and encourage safe dating, just to name a few.

- Youth in Philanthropy (YIP) continues to grow and expand. Eight schools were involved this year and more will be added in the near future. The meaning of philanthropy and the opportunity to participate in grantmaking is the focus of this program. Last year, each school created their own video which was housed on our website and school teams were prompted with the opportunity to solicit votes for best video. This was an extraordinary opportunity presented to our students to promote youth in philanthropy and provide a resource to the public.

On the evening of our holiday party, the staff of Central Susquehanna Community Foundation announced that we are officially 20 years old. The very first meeting of what was then the Berwick Health & Wellness Foundation occurred in November 1998. At the end of 2018 we began the celebration of 20 years of philanthropy - 20 years of investing into the many wonderful communities that our Foundation represents, encompassing the goal of improving and enriching the lives of those we care most about.

Thank you for being the catalysts in helping us to be stronger over the last 20 years. Celebrating is a good thing for us to do; it helps us to realize how good we have it, and it helps others discover who we are.

A REGIONAL
COMMUNITY FOUNDATION

Established 2003

Serving Columbia, Lower-Luzerne,
Montour, Northumberland, Snyder
and Union Counties in central and
northeastern Pennsylvania

CSCF FUNDS SUPPORT 2ND ANNUAL
BLOOMSBURG FAIR REGIONAL STEM COMPETITION

In partnership with Bloomsburg University's Regional STEM Education Center, Martz Technologies, Bloomsburg Fair Association, and the Foundation of the Columbia-Montour Chamber of Commerce, the Central Susquehanna Community Foundation hosted the 2nd Annual Bloomsburg Fair Regional STEM Competition in September 2018.

The theme of this year's competition was "Energy and Efficiency in the Community". High schools across the region were eligible to compete for three prizes; 1st place prize of \$10,000, 2nd place prize of \$5,000, and \$2,500 for third place. These prizes were made payable in the form of grants to support the school district's STEM program. Each school district was allowed one team of five students. Students researched, designed and presented a project that was capable of improving the quality of life for Pennsylvanians through the incorporation of efficient energy use. Projects were exhibited in the Technology Building at the Bloomsburg

Fair, September 22-28. Students presented their projects to a panel of distinguished judges from industries and academia.

The list of schools competing in this year's event included Berwick Area High School, Central Columbia High School, Mid-West High School, Montgomery Area High School and Shikellamy Area High School.

Pictured above left are judges of the Regional STEM Competition. From left to right: Gregory Martz, President, Martz Technologies; Al Neuner, Vice President of Facilities Operations, Geisinger; Robert Foster, Volunteers in Philanthropy President, Retired Physics Teacher; Jeffrey Emanuel, Director, The Foundation of the Columbia Montour Chamber of Commerce; Kurt Aaron, WNEP-TV Meteorologist.

Pictured above right are students from Mid-West High School and the recipients of the 1st place prize for their project titled "Reclaiming What's Lost". From left to right: Trent Peachy, Jacob Weist, Oakley Bennett, Trey Keister, Gavin Marker.

“The Foundation is a great way for people to support the local community. I love the Foundation because there are people there that I trust, they do a great job at interacting with the nonprofits in our community and they're aware of the needs. That allows me to invest in the Foundation and in our community in a way that I'm very comfortable with.”

Nancy J. Marr
Board Member

“We have a lot of services and opportunities that we can offer people and organizations who don't have the vehicle or the way to be philanthropic to the community. We offer different options for people with special interests and ideas for giving.”

Tim Apple
Board Member

CENTRAL SUSQUEHANNA SIGHT SERVICES IMPROVES VISION

"Thanks to your vision screening and recommendation for a doctor exam, our daughter did indeed need glasses for her astigmatism and farsightedness. Our family had no idea there was an issue and neither did the daycare center. She never complained or held things up to see them. We would have gone on for years not knowing and causing more damage to her eye. We really appreciate what you do and the ways that it helps kids!"

“We are initiating a couple of new programs this year with the Regional Impact Fund. Because this unrestricted fund covers our entire footprint, we can make an impact in many areas across the region.”

John Parker
Board Member

“The Foundation has been great to work with, they are easy to work with. One of the things that got our attention initially was that we could create a scholarship fund with \$10,000 to start while several other options seemed to require more. So, \$10,000 worked really well in our picture to get it going. Since then, we have been able to grow our fund to a pretty substantial level, probably even beyond what we originally projected it would be able to do.”

THE HARTMAN FAMILY PROVIDES A LASTING LEGACY THROUGH CONTINUED CHARITABLE GIVING

Years ago, the Hartman children and family celebrated Bill and Ginny's 50th wedding anniversary by creating a lasting legacy in their honor. Penn State, Warrior Run School District, teaching, and agriculture, all hold special meaning to this family who is also passionate about helping others. The William S. and Virginia L. Hartman Family Scholarship was created in 2008 and the family was intent to grow the endowed fund in years to come. Their continued charitable giving has significantly increased annual scholarship amounts available for students graduating from Warrior Run and pursuing secondary education or agriculture at a Penn State campus.

Pictured above are the Hartman children with their father, William S. Hartman, on his 80th birthday.

A SECOND CHANCE AT BEYOND VIOLENCE

"The adult counselor at Beyond Violence guided me and helped alleviate my anxieties and stresses due to my homelessness. Tanya connected me with other agencies that can help me with housing, transportation, clothing, and other necessities. She taught me how to stay on track by setting a budget.

Beyond Violence Staff makes me and my grandchildren feel safe and comfortable. For the first time in a long time, I was able to see a clear path to our future. There are many others like me in need of help and are given a second chance at Beyond Violence. I could never thank donors enough for what they are doing for me by keeping Beyond Violence open. It shows that people really do care about me."

NORTHERN COLUMBIA COMMUNITY & CULTURAL CENTER'S YOUTH SUMMER CAMP

The Berwick Health & Wellness Fund (BHWF) enables our organization to offer an in-demand kids camp, staffed with qualified, energetic individuals. The grant funding provides us with the opportunity to hire the best instructors for the camp, ensuring a safe and engaging environment for children outside of the school season.

Simply put, BHWF support makes it possible for N4Cs Kids Summer Camp to occur. Without this vital support for staffing, we wouldn't be able to offer the children such enriching experiences during their summer months. While we strive to offer an affordable camp full of educational sessions and active-learning environments, it's almost impossible for us to charge adequate fees to cover such sessions as the economy we operate couldn't support that price.

Thank you very much for this continued support, it is much appreciated!
Athena Aardweg, former N4Cs Executive Director

"We have been able, through the Foundation, to enhance the lives of many in our area, making our community a better place to live for everyone. As a donor to the Bloomsburg Area Community Foundation you can choose to designate the manner in which your gift is to be placed into service or you can allow the board to serve you and judiciously evaluate the applications and award those grants that will make the most impact in your community."

AGAPE IS PROVIDING THE RESOURCES

"AGAPE has allowed me to help families when things are tight. Many times, food stamps do not last the whole month and other hardships arise. Having the resources available through AGAPE has been a blessing. Seeing the family's reactions when they can get food from our food pantry and backpack program is heartwarming. The funds provided by the donors are used to help so many people that would otherwise slip through the cracks without programs like these."

Volunteer of AGAPE, Bloomsburg

"Since 1998 we have given out over 200 awards totaling over \$200,000 and made a big impact in a lot of the nonprofits in the community."

John Thompson
Board Member

HONORING VOLUNTEERISM AND SERVICE WITH HOLIDAY HAPPENINGS

Annually, a distinct awards dinner called Holiday Happenings, has been hosted in Danville honoring the life work of Robert N. Pursel, a lifelong resident. Members of the community whose life service mimic Mr. Pursel's volunteerism and service are chosen as award recipients and honored at this prestigious event. Three years ago, the Holiday Happenings Committee lost their sponsoring agency and were facing the end of a legacy. Through insight and happenstance, three Danville Area Community Foundation (DACF) Board Members had occasion to talk with Jo and Mike Benjamin who lead the Holiday Happenings Committee, and began to explore how the DACF could support their event. The Danville area is a very special place and has many wonderful residents, like the Benjamin's. You only have to talk to these extraordinary people for a couple of minutes to see and feel the passion they have for their town and for this special event.

Thanks to the leadership of Jo and Mike and the Holiday Happenings Committee, the Robert N. Pursel Award dinner has continued, and has raised more than \$65,000 over the last three years to help support and grow DACF's Neighbors Helping Neighbors Unrestricted Fund.

This partnership between Danville Area Community Foundation and the Holiday Happenings Committee is a brilliant example of the kind of town Danville is regarding philanthropy. How fortunate for the residents of Danville that this amazing event continues and serves its nonprofit and government agencies through the grantmaking efforts of the Foundation. Prior to this initial conversation, Jo & Mike had never heard of the Danville Area Committee Foundation. Now, they, and the entire committee, are an integral part of the Danville Area Community Foundation Family.

Pictured to the left are members of the Holiday Happenings Committee. Pictured below are Mike and Jo Benjamin, leaders of the Holiday Happenings Committee.

COMMUNITY IMPACT FUND MEETING CURRENT COMMUNITY NEED

The Neighbors Helping Neighbors Fund is just one way the Danville Area Community Foundation works with you and for you to support local unmet needs. Because of their desire to help others and wanting to encourage the spirit of giving in others, Danville Area Community Foundation Board members began a voluntary "Neighbors Helping Neighbors" campaign in 2007 through their own individual donations. This endowed fund is Danville Area's opportunity to meet current needs of the community forever. Neighbors Helping Neighbors has awarded more than \$55,000 to local nonprofits.

“One of the key things I think about a community foundation and the giving that takes place, and attracts a lot of donors, is the gifts that are given to the foundation by our local people. These gifts are given in perpetuity, so they are gifts that keep on giving.”

DANVILLE AREA COMMUNITY CENTER (DACC) IMPROVES OVERALL WELL-BEING

"I attend the DACC programs 2-3 times a week. I participate in the water fitness, yoga, strength training and low-impact aerobics. Because of the grant funded program, I was able to get physical therapy for which my insurance does not cover. I learned that I need to get up and move and keep moving. Staying active is the key to my overall well-being. Thank you very much for helping me get better. Unfortunately, if I didn't have the grant and DACC helping me, I'd still be miserable, in pain and helpless. I truly am blessed to have the opportunity to feel good. Thank you again."
Sacha Hecht, Member of Danville Area Community Center

BENEFITING YOUTH THROUGH ESTATE
GIVING WITH THE GARMAN FAMILY FUNDS

A former Snyder County couple, Patricia H. and Richard E. Garman, made the thoughtful decision to leave an estate gift to benefit youth in the community where they were born and raised. Their experiences, successful careers, and giving nature, led them to this decision. They were a couple who truly believed in giving their time, knowledge, and financial support to numerous organizations, and did so in an ever-quiet manner. Richard enlisted in the United States Marine Corps immediately after graduating from Selinsgrove High School and married Patricia Hetherington after returning from the war. He attended Bucknell University and was honored with the Distinguished Engineering Alumni Award in 2005 and an honorary Doctorate in 2007. Richard was the owner of several companies and firms in Buffalo, NY.

Patricia earned a degree to become a registered nurse at Georgetown Medical Center of Temple University. After raising her family, she returned to school and earned a bachelor's degree in nursing and a master's in psychiatric nursing from the University of Buffalo. She was honored with the Dr. Philip B. Wels Outstanding Service Award.

Together, they created The Garman Family Foundation in 2002 which later transitioned to the Community Foundation for Greater Buffalo in 2016. They wanted to ensure Western New York would benefit from its giving in perpetuity and thoughtful vision.

This year, the CSCF was delighted to receive the new Garman's estate gift to the Selinsgrove Area Community

Foundation to create two endowed funds. The need-based Patricia H. and Richard E. Garman Scholarship Fund will support Selinsgrove graduates and their field of interest fund will benefit youth programs for residents of Selinsgrove, Richfield, Freeburg, and Mt. Pleasant Mills. We thank them for their foresight in providing a forever gift to the youth in their hometown.

Pictured above are Patricia H. and Richard E. Garman.

"My parents may have spent the majority of their lives in Western New York but they never forgot where they came from. Setting up the funds at the Community Foundation enable their legacy to continue in perpetuity to help the communities they loved so much."

PROVIDING MEALS TO SELINGSGROVE COMMUNITY MEMBERS

"My disability deteriorated to the point I was no longer safe cooking on the kitchen stove. The Selingsgrove Area Meals on Wheels has been a God-send and a lifeline. The people who deliver are so nice. It makes me feel like a valued elder member of the Selingsgrove community. They are providing an important service to the people in our area."

Sam Edmiston, client of the Selingsgrove Area Meals on Wheels

"My daughter in South Carolina is very relieved to know I have good meals. She is also glad to have someone check on me each day. Meals on Wheels has made me less stressed thinking of what to have and how to prepare meals for one person. I am also glad for all the vegetables! This is a very worthy and needed service. Thank you all. I appreciate the food!"

Jane Baker, client of the Selingsgrove Meals on Wheels

James J. Campbell
James C. and Linda W. Forster
Jane Forster Rebeck - Class of 1963
Selingsgrove Area High School Alumni Association

"The Selingsgrove Area Community Foundation was a creation of the Selingsgrove Rotary Club. Over twenty years ago, we decided to start the foundation with a \$10,000 gift. When I look back over the twenty years, people in the community have come together, some of them made estate gifts, some make present gifts, but it's very impactful when they do this coming together. One of the happiest things I've done in my career is to be a part of the Selingsgrove Area Community Foundation."

Marvin Rudnitsky
Former Board Member

Pictured to left are Board Members with 2018 grant representatives.

“And we find now that each year during grant round cycles we’re doing more and more for the community. It’s especially gratifying to be part of something that has helped to start organizations or support organizations that were at a critical point in their development and evolution. The Selinsgrove Area Community Foundation offers people that are from the Selinsgrove area a way to leave a legacy.”

Michael Flock
Board Member

“Now as a member of the board, it is rewarding to know that our work has made a similar difference for other organizations as well. It is a privilege to be part of this group whose good works send such a positive ripple effect out into the community.”

Kathy Irwin Lentz
Board Member

Pictured above are Selinsgrove area children participating in activities at the REC. Located in Selinsgrove and a recipient of grant funds through the Selinsgrove Area Community Foundation, the Regional Engagement Center (REC)'s mission is to inspire ideas, enrich lives and engage all generations in recreational, educational and charitable activities. With an emphasis on youth, the REC offers community memberships for daytime exercise and wellness classes and is open every day after school and two weekends a month for youth. On average 45 kids visit the REC per day.

"The fact that there are other people out there that believe in me and my chance to succeed and are willing to invest not just their hopes but also their own money into me and to my success just shows that I am doing the right thing and that there are people that are willing to help me go the distance and pay it forward for them."

Chase Hummel
Scholarship Recipient
Roger S. and Lois W. Haddon Nursing Scholarship Fund

DAGLE FAMILY'S LEGACY

Donor advised funds allow you to make a gift to the community foundation, then remain actively involved in recommending beneficiaries from your fund annually. It offers personal involvement while working with foundation staff to suggest ongoing uses for the fund – targeting issues you care about which can change year to year. Grants are then issued to charities in the name of your fund. Steve and Debbie Dagle knew this was a simple, powerful and highly personal approach that would help their family stay connected to the community forever.

Pictured to right are Steve and Debbie Dagle of the Dagle Family Fund.

"We're grateful to be able to share that with which we've been blessed. Giving to the community foundation will enable good things to happen in the valley, for a long, long time."

Steve and Debbie Dagle

STORYTIME AT DEGENSTEIN LIBRARY

"Storytime at the Degenstein Library helped our family by introducing us to new books and programs like 1000 Books Before Kindergarten. It also provided social interaction for my children. The library always makes us feel welcome and important. The staff takes time to answer questions, gets to know us personally, and helps us make good use of the library's resources. The library is an amazing resource for the community. The wide variety of programming available for all ages makes the library a vital part of the community."

Emily Chiboroski, client Degenstein Library

"By partnering with the Sunbury Area Community Foundation, you can help cement the legacy you have within our community and help promote a stronger healthier community by your contributions."

Adam Purdy
Board Member

"The Sunbury Area Community Foundation changes the lives of people financially which then changes their life in total."

Cory Fasold
Board Member

THE LEGACY SOCIETY

Unveiling the joy found in making the world a better place by providing much needed resources for our community's future

You...
Your Family...
Your Legacy... *A Forever Gift*

The Legacy Society

CREATING A LEGACY

Your planned gift to the Community Foundation will have meaning and impact for generations to come. Legacy giving does not require a large income or vast estate. Legacy giving only requires a thoughtful intention to make a difference by making provisions in your estate plans to provide a legacy gift to the Community Foundation. The Legacy Society honors those individuals and families who have made this lasting commitment to our community.

Leaving a legacy can include bequests, gifts of life insurance, or other types of charitable planned gifts. You can establish many types of testamentary funds including a designated fund that benefits a specific nonprofit, a field of interest fund that supports an area of interest, or a scholarship fund to benefit students at your local high school or alma mater, all to be distributed in perpetuity after your lifetime. Choosing a current fund at the Foundation or its unrestricted funds is also an option.

Being a member of the Legacy Society gives you the opportunity to join like-minded people who are committed to supporting the needs of our communities.

For Good. For Ever.

THE LUTZ LEGACY

Looking ahead, Greg and Debb Lutz, Mifflinville, want to provide for their community in perpetuity, ensuring that their personal philanthropy lives on. They have taken the simple step with the Foundation to make planned giving arrangements today that will benefit the causes they care about for generations to come.

Pictured to right are Greg and Debb Lutz.

"Each of us face adversity in life, our choices affect the outcome of a given situation. It can resolve in our favor or not. But it is through our active choice that we may prosper in this life.

Providing a gift as members of the Legacy Society allows the CSCF Board to address issues that, as of this time, we cannot conceive. Our community needs flexible and immediately available funding to address new problems. Giving to CSCF to address future concerns closes the circle with those who provided past funding for current programs. We give in the hope that it helps others prosper."

The Women's Giving Circle

Established 2016

The Women's Giving Circle of the CSCF empowers, connects, and inspires women and girls by supporting initiatives and resources that better their lives.

EMPOWERING, CONNECTING, AND INSPIRING WITH THE WOMEN'S GIVING CIRCLE

We hosted our first Women's Giving Circle grantmaking ceremony and provided \$20,000 to 10 nonprofit agencies throughout the foot print of the Central Susquehanna Community Foundation in an effort to support initiatives that improve the lives of women and girls. Introducing the Foundation's first-ever giving circle has been exciting, and with the support of 64 area women, 2018 was a huge success.

In January, at a special luncheon, we hosted a panel of extraordinary women who showcased their authentic stories of success to both members and non-members. They shared their triumphs and challenges and, most of all, words of wisdom on how to embrace your self-worth. In addition, WGC members had a little fun on the Hiawatha and at Freas Farm during Membership Recruitment Days and provided service to Camp Victory by adding a splash of color to their facility.

Our special guest, Linda Eagle, President and co-founder of Global Bankers Institute, shared her expertise in human communication at our annual meeting in October. Her message was one of influence; encouraging all present about the value of being mentored and of mentoring others. Everyone left with a shared vision of the benefits of mentoring and the motivation to engage in mentoring activities.

Giving circles make sense and they provide a bigger impact on the causes these women care most about. By pooling our donations, we were able to do more than any one of us could do individually. This dynamic group of women have spent the year engaging in new relationships, providing valuable grants back into the community, and enjoying new experiences. Please join our movement: be inspired, be connected, be empowered!

BOARD OVERSIGHT

Central Susquehanna
Community Foundation's
Board of Directors
Regional Membership

MAKING AN IMPACT WITH THE
CENTRAL SUSQUEHANNA COMMUNITY FOUNDATION

Our Regional Impact Fund is addressing a *broad range of local needs* across our 5 ½ county footprint. The flexibility of this unrestricted fund lets the Foundation respond to the community's most *pressing needs* today and tomorrow. As a community leader, it is the Foundation's responsibility to evaluate all aspects of *community well-being*.

Hosting our *first regional Impact Symposium* last June helped us focus on this goal. More than 120 representatives from nonprofit organizations participated. It brought together our regional nonprofit partners and friends from 5 ½ counties to *identify and evaluate unmet needs*, network, learn and collaborate. The day ended with an exciting announcement about the Regional Impact Fund's *first competitive grantround*. Under the oversight of our CSCF Board of Directors, 45 grant requests were reviewed based on the needs assessment report containing information and data gathered at the Symposium. In October, the Foundation presented *11 grant awards totaling \$50,000*.

We remain committed to increasing future grantmaking through our Regional Impact Fund so that together we can provide an even *greater response and impact in the years to come*.

YOUTH IN PHILANTHROPY

Central Susquehanna Community Foundation's Youth in Philanthropy program, known as YIP, provides high school students across the Central Susquehanna region an opportunity to learn about philanthropy and participate in the grantmaking process. Focused on the meaning of philanthropy and the importance of getting involved, the YIP program allows students to gain experience in teamwork, assessment of community needs, building consensus, nonprofit finance and the local nonprofit world.

In partnership with faculty liaisons at local school districts, students in grades 9 through 12 volunteer to form YIP groups. Throughout the year, each group researches school-based and community needs and strengths, while exercising their leadership and decision-making skills. Contributions from generous community members allow each group to award up to \$5,000 annually in grants to nonprofit organizations for youth programs. Students create a plan to survey their community to develop criteria to prioritize their grant awards.

Corresponding with the academic calendar, the YIP program meets twice per year for day-long workshops hosted by the Foundation. In addition, school groups meet monthly at their school. To celebrate community impact, the YIP program hosts a grant presentation ceremony annually in April.

Pictured below right, 2018-19 YIP "Ignite Your Inner Philanthropist" slogan. Below left, YIP Video Challenge winners from Danville Area School District. Pictured opposite page top, YIP students participating in team-building activities led by Ken Altenbach, Team Building US.. Pictured opposite page bottom, 2018-19 YIP members.

Donations can also be mailed to CSCF, make checks payable to CSCF, (memo: fund name) 725 West Front Street, Berwick, PA 18603.

Contributions are tax deductible to the extent provided by law. IRS regulations require us to state that no goods or services were provided in consideration for your gift and the Central Susquehanna Community Foundation has exclusive legal control over the contributed assets. The official registration of the Central Susquehanna Community Foundation may be obtained from the PA Dept. of State by calling toll free, within PA, 1-800-732-0999.

HOW A COMMUNITY FOUNDATION WORKS

1. DONOR 🎁

Anyone can be a donor and contribute a gift, small or large, to a Community Foundation.

2. DONOR ENGAGEMENT 🎁🌱

Community Foundations and donors work together to realize their philanthropic goals, matching their interests and community needs.

3. MAKE A CONTRIBUTION ❤️🌱

Community Foundations work with the donor to establish a new endowment fund or give to an existing fund.

4. INVESTMENT 💰🌱

The donor's gift is pooled with a Community Foundation's endowed assets, invested through careful stewardship and income is used to make grants.

5. GRANTS 🌱🎓🌱

Community Foundations distribute grants to all corners of the community in arts and culture, education, scholarships, health, social services and the environment.

6. COMMUNITY IMPACT 🌱

The Community Foundation invests in many ways - grants, building partnerships and pooling knowledge, resources and expertise to stimulate ideas and strengthen community.
