CENTRAL SUSQUEHANNA
COMMUNITY FOUNDATION

Give to Ignite Your Story

ENHANCING THE QUALITY OF LIFE
IN THE CENTRAL SUSQUEHANNA VALLEY

Achieving Donors' Intentions

The Community Foundation helps people create funds that change lives. By partnering with highly effective nonprofits, we keep the community's wealth here at home working...

For Good. For Ever.

The Central Susquehanna Community Foundation is a nonprofit 501(c)(3) organization. The official registration and financial information of the Central Susquehanna Community Foundation may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800-732-0999. Registration does not imply endorsement.

Your Story of Community
Giving Matters

GIVE TO IGNITE YOUR STORY

This past year at the Foundation brought us many incredible opportunities to learn about fundholders and donors through the strategy of “storytelling”. Our very own favorite storyteller, Gerard Stropnick, facilitated many story circles and shared his art of storytelling with our staff while inspiring many of our stakeholders to share their stories of philanthropy. Whether he was working with our staff, our grantees from our annual meeting, or our business round table, we have been moved by the stories he elicited about giving.

The Board and staff embarked on a strategic journey with our friends from Work Wisdom, a consulting company out of Lancaster skilled in helping Foundations and businesses identify their values and differentiators. We worked through many hard questions to identify what sets us apart from others. In fact, we identified and continue to answer our big question—“How do we become the first choice for individual and business charitable giving while maintaining the personalization we currently offer to donors?” This nine-month journey caused us to reflect and discuss, (and yes, sometimes argue) about our direction and the Foundation we want to be! There are many things for certain. We value our donors and stakeholders, in addition to helping others, stewardship, education, trust, and integrity. This year we created 24 new funds and our gifts exceeded \$3 million. Our knowledgeable staff will continue to be in touch with our community needs and continued development of our relationships.

Our Regional Impact Fund awarded \$50,000 this year at our Nonprofit Narrative which was a new strategy for us. Knowing that storytelling is at the heart of philanthropy, we asked our grant applicants to share their story with our committee and others in the community. Many audience members got to hear firsthand the need for giving and the critical work our nonprofit organizations do through their programming.

Our Women's Giving Circle is currently in its third year of operation and concluded its second grant round in 2019. We have provided \$40,000 in grants to organizations whose mission it is to enhance the lives of women and children. When you give to a cause that you are passionate about, it helps to promote the mission of the organization. One of our members was recently asked about the impact of the WGC. She said, “When we have the opportunity to help others, we should seize the moment—stop waiting. The Women's Giving Circles does exactly that—it opens the door for so many to be part of making a difference in the lives of women in our communities.”

In 2006, we began the Youth in Philanthropy program with one school. We are excited to announce that for the 2019-20 school year, we now have 11 schools participating in our program thanks to so many donors. The story of our Youth in Philanthropy program is so powerful and one which we are proud of, particularly when I listen to our students talk about philanthropy and the opportunity available to them through this program. One high school student recently announced, “I am so glad I can call myself a philanthropist. People need help in so many ways.”

We are grateful for the support we received to help some of our area nonprofit organizations build their leadership capacity and strengthen their infrastructure with the continuation of the Nonprofit Leaders Series. The Foundation staff in conjunction with the Columbia Montour United

Way and Berwick Area United Way are respectfully committed to providing opportunities for our nonprofit staff to invest in themselves and their organizations.

Our Foundation is proud of the “Foundation Family”. When I gave the toast at our holiday party, I said, “We are looking forward to our story sequel in 2020—may it be filled with kindness, peace, and love. Philanthropy requires a generosity of spirit and the desire to improve the quality of life for others, and we would like to take this opportunity to thank you for yours.”

M. Holly Morrison, D.Ed.

GIVE TO LEAVE A LEGACY

Freddie Bittenbender-Henry is no stranger to the Community Foundation. As a member of the Foundation's founding board of directors, she understood the way generous hearts can make a difference in improving local communities both now and in the future. Together with a small group of hospital board members, Freddie helped negotiate the sale of the Berwick Hospital to a for-profit organization, which created a \$28 million endowment to forever benefit the greater Berwick area.

When the opportunity for family to honor her life and work arose, Freddie turned to the Foundation to meet her charitable goals and create the largest community impact. The Shickshinny and Northwest Area School District service areas are near and dear to Freddie's heart. Her desire was to support community engagement opportunities, local projects and nonprofits that help the residents of the area. As a field of interest fund, the **Bittenbender-Henry Fund** will continue to serve this community in perpetuity by annually making grants in her family name.

GIVE TO EQUIP LEADERS

In 2017, the Central Susquehanna Community Foundation, in collaboration with the Berwick Area United Way and United Way of Columbia and Montour County, designed the **Nonprofit Leadership Series**. The Series provides free professional development opportunities to nonprofit leaders serving Columbia and Montour Counties.

In 2019, topics included budgeting, grant writing, social media and marketing, time management, and governance and staff management. Nonprofit leaders could choose to attend all sessions on the topics that are of specific interest to them. Attendees were also encouraged to share feedback and additional areas of interest with the Foundation for future planning.

The Nonprofit Leadership Series is funded by the Berwick Health and Wellness Fund and the Danville Area Community Foundation. To learn more, visit csgiving.org/npleaders.

GIVE TO PERFORM THEATRE FOR ALL

The **Bloomsburg Theatre Ensemble** has been dedicated to collective artistic empowerment, dynamic collaborations, and a symbiotic engagement with a wide range of audiences for over 40 years. But in order to continue entertaining and inspiring the broad net of audiences, BTE realized they needed to increase the accessibility of their performances due to the make-up of their historic theatre.

Through Foundation grants, BTE will move forward with installing an assistive listening system to enhance the performance experience for patrons who are hard of hearing or blind. The system improves sound regardless of seating location and provides audio descriptions of BTE shows. Through this grant, the Bloomsburg Theatre Ensemble can continue to provide the best theatre experience for all.

GIVE TO BRIGHTEN CHRISTMAS

The **Brighter Christmas Fund** was launched in 1985 by Press Enterprise Chairman Paul R. “Pete” Eyerly III as a campaign focused on giving back to the local community. Since its conception, the paper’s readers have donated more than \$2 million to help families in need during the holiday season. Requests for help are reviewed by members of the Fund’s volunteer advisory committee (*pictured above*), which includes representatives from some twenty social service and educational institutions in Columbia and Montour counties.

This year, the Brighter Christmas Fund joined the Foundation’s family of funds, passing off administrative functions once based in the newspaper’s business office. The 35th campaign carried out the same community-minded mission, and through the generosity of many had a record-breaking year, raising nearly \$100,000.

GIVE TO ACTIVATE SOCIAL EQUITY

Even as a little girl, Carol was committed to interracial, intercultural, and interfaith understanding. She spent several formative years in an international student boarding house run by her parents and went on to serve in the Peace Corps and work on social justice projects as an adult. Carol's career in higher education included supervising foreign study programs and the care of foreign students. She also encouraged students to get involved in community service and social justice initiatives.

Carol's fierce commitment to the causes of justice led her to work closely with Bloomsburg's Coalition for Social Equity. After Carol's passing, her husband, Mel, established the **Carol Deforest Locke-Endy Fund** to honor his wife's life work. The fund supports the work of the Coalition for Social Equity in perpetuity.

"It is deeply satisfying to honor Carol's life and work by establishing this fund in her name to further interracial, intercultural, and interfaith fellowship and understanding."

Mel Endy, Husband of Carol Deforest Locke-Endy

GIVE TO OPEN THE DOOR

Public libraries are uniquely poised to support independence and quality of life to individuals living with Alzheimer's Disease and Related Disorders (ADRD) and their caregivers. With the knowledge that Pennsylvania has the 4th highest percentage of elderly population in the nation, the **Snyder County Libraries** began to consider how their four library branches could help serve this special sector of the community.

Through grant opportunities at the Foundation, the Library has committed to become a model Dementia Friendly Library, providing resources, events, and training for ADRD patrons and their families. In addition to new resources like memory kits, audio/large print books, and informational materials for caregivers, the Library hopes to hold monthly dementia-friendly events like old movie screenings, educational programs, and memory cafés. Through these intentional efforts, Snyder County Libraries will be able to share what they've learned with the other ten libraries in neighboring counties, bringing a regional impact to our community.

GIVE TO ENRICH YOUR LOCAL

Pictured are members of the **Volunteers in Philanthropy (VIP)** group with their grantee representatives from the Berwick Area School District S.O.A.R. Program, Berwick Area YMCA, Berwick Borough Summer Concert Series, For the Cause, and Beyond Violence. VIP awarded \$14,000 in grants in 2019.

This group of life-long Berwick residents work together to enrich volunteerism and make increasing grant investments in the community they all care so much about.

GIVE TO SUPPORT KINDERGARTEN READINESS

The Berwick Health and Wellness Fund provided grant support for the **Benton Area School District's** Kindergarten Kickoff program. The two-week program takes place prior to the school year in July-August and is designed to help students transition to kindergarten. Students who participated in the program are exposed to basic literature-based activities, basic math exercises, and tasks involving fine motor skills. Students also learn basic routines and establish a strong rapport with their kindergarten teachers prior to the beginning of the school year.

"As our school's principal I have seen the positive impact this program has had on our children in Benton. At-risk students too often fall behind, causing problems to escalate in the future. Kindergarten Kickoff has allowed these students to maintain success at the kindergarten level so a better learning experience is realized."

GIVE TO PRESERVE NATURE'S BEAUTY

The **Susquehanna Warrior Trail** is an 11.5-mile rail trail for bicyclists and pedestrians that runs along the west bank of the Susquehanna River in Luzerne County, Pennsylvania. Formerly a railroad bed, this once forgotten piece of nature has been brought back to life by a group of dedicated volunteers. The trail follows the scenic Susquehanna River, where hikers and bikers have a good chance to spot bald eagles, otters, heron and a multitude of other animals.

Throughout its history, the Berwick Health and Wellness Fund has provided grant support for various improvement projects along the trail. This past year, the organization experienced bridge erosion due to flooding, and grant funding was utilized to repair this important piece of the trail. The Fund also supports the Trail's annual 5K Race/Fun Walk.

GIVE TO CARRY ON A MEMORY

Described by his friends as adventurous and charismatic, Justin “Pete” Slusser was a vibrant young man who always lived life to the fullest. A graduate of Berwick Area High School and Penn State University (civil engineering), Justin passed away a week shy of his 30th birthday after a battle with stage IV melanoma. The **Justin “Pete” Slusser Scholarship Fund** was established by his friends and family to honor his memory and support a graduating senior from Berwick attending Penn State.

“Justin touched so many lives while he was living and stayed positive throughout his health battle. We wanted to find a way to further his legacy in the Berwick community,” explains Danielle Pearson, a close friend of Justin. “His love of life and lasting impact on those he knew played a large role in our decision to start this scholarship fund as a way to honor him and keep his memory alive.”

Town of Bloomsburg

GIVE TO BRING BACK THE BLUES

The **Exchange** is a nonprofit organization dedicated to bringing the arts to all communities throughout our region. Their gallery in downtown Bloomsburg hosts eight or nine art exhibitions annually, and their interactive "Art Cart" brings fun and family-friendly art to dozens of venues in Columbia and Montour Counties.

This year, the Exchange focused on supporting local and regional musicians whose repertoires include Blues music, an original American art form and the basis for various types of music that we listen to today. Musicians were invited to perform as part of the Bloomsburg Town Park Concert Series. Through grant support provided by the Bloomsburg Area Community Foundation, five musicians from Williamsport's Uptown Music Collective performed at the Town Park in July 2019.

GIVE TO ENCOURAGE YOUTH

Leo E. Ennis had a heart for encouraging children of any age. He enjoyed volunteering as a Little League coach for many years and was known for his warm smile and friendly nature. A devoted father of five, Mr. Ennis was quick to praise the accomplishments of his children. The **Ennis-Visneski Fund** was established by Gary and Conaley (Ennis) Visneski as a way to honor his memory by supporting the Foundation's Youth in Philanthropy program in the Danville Area School District.

"It is wonderful to see a family want to impact their community by supporting a cause dear to a loved one's heart. This fund is one way we can carry on Mr. Ennis' memory and celebrate his passion for encouraging local youth."

GIVE TO PROMOTE COMMUNITY PHILANTHROPY

In 2007, the Danville Area Community Foundation Board extended their personal commitments to the people in their community by establishing the “Neighbors Helping Neighbors” campaign through their own individual donations. Many years later, this unrestricted fund continues to provide grants to meet the current and pressing needs of the Danville area, and provides an avenue for everyone to participate in community philanthropy.

Last year, **Neighbors Helping Neighbors** supported many important community projects and local nonprofits, including the Danville Area Diaper Bank, Good Samaritan Mission “back-to-school” shopping program, PA Swarm youth support, Danville Veterinary Clinic expansion, and projects at Transitional Housing and Care Center of Columbia and Montour Counties. More than \$70,000 has been granted to the Danville community from the Fund since its creation.

GIVE TO EXPLORE NEW INTERESTS

The **Danville Child Development Center's** "School Age Care for Kids" summer program provides an environment that allows children to explore the world around them, facilitating their continued learning in fun and meaningful ways throughout the summer. Each week of the program focuses on a theme designed by teachers with input from the children regarding their specific interests. The program incorporates field trips to encourage the children's interests in learning about new topics and places and expose them to the larger community.

Through grant funding provided by the Danville Area Community Foundation, over 50 students were able to travel to Lake Tobias, the DaVinci Science Centre, and Bloomsburg Theatre Ensemble in the summer of 2019. This grant funding assures that each participating student is given the opportunity to

GIVE TO CREATE CAMP MEMORIES

The **Summer SEALS Day Camp** provides a six-week summer camp for 2nd, 3rd, and 4th grade students filled with educational, social and recreational activities in collaboration with community-based organizations. The goal of the camp is to offer expanded learning and developmentally appropriate activities for children in a safe environment. Learning activities are designed with emphasis on core academics such as reading and math skills. The camp strives to fill the learning gap that students experience over the summer weeks.

Grant funding provided by the Selinsgrove Area Community Foundation supports transportation, field trips, and admission for campers in the Selinsgrove area. This summer, 30 students participated in the program.

GIVE TO STRENGTHEN COMMUNITY

“Giving to the Selinsgrove Area Community Foundation is like giving to the whole community,” Dick Wetzel once explained. A native of Selinsgrove, Dick never moved more than several blocks from his childhood home, and his wife, Anna Mary, moved to Selinsgrove when she was ten. The couple married in 1951, lived on the same street where Anna Mary grew up, and now after Dick’s passing, their family legacy continues to live on through the **Richard and Anna Mary Wetzel Unrestricted Fund**.

Years ago, the Wetzels first considered establishing a scholarship or designated fund with the Foundation, but decided that an unrestricted fund would provide the greatest help to the community by offering flexibility to meet ever-changing needs. Forever, grants are made annually to community nonprofits in Dick and Anna Mary’s name.

“My parents wanted to help others, both while they were alive and in the future. There’s no better place to give to than to the community where they lived all their lives. It means so much to our family that my parents have left a forever legacy to Selinsgrove.”

Ann Aurand, Daughter of Richard and Anna Mary Wetzel

GIVE TO HONOR A LEGACY

Maria Culp—a resident of Watsontown and local leader—wanted to make her community a better place for its residents to find jobs and raise families. A graduate of Susquehanna University, she served the community and its interests in many ways, including as the President and CEO of the Central PA Chamber of Commerce. Before her unexpected passing in 2015, Maria had returned to her first love—working with transportation—at the York Adams Transportation Authority.

“Maria was an independent and determined person. She saw obstacles as challenges to overcome, and she had several mentors who encouraged her to become the community leader she was,” writes Maria’s mother, Cindy.

During her time with the Chamber, Maria realized the importance of having an educated workforce available for employers. As a founding member of the PA Early Learning Investment Commission, her goal was to provide more learning opportunities for young children. It was out of this mission that her family established the **Maria Evitts-Culp Scholarship Fund**, which honors Maria’s legacy by supporting students at Shikellamy High School (where Maria attended) who are pursuing a career in early childhood development.

“Maria’s life was ended before she could accomplish many of her goals. We wanted her legacy to continue in our community through this annual scholarship and encourage others to follow her example of service.”

The Sunbury Area Community Foundation focuses their annual competitive grantround on health-related goal areas including children's health, oral health, and coronary care. The **Greater Susquehanna Valley YMCA** strives to help members of the community lead healthy lifestyles. The YMCA's Sunbury Branch provides many opportunities for youth to have quality and safe programming including youth sports, martial arts, the art center, swimming lessons, summer day camp, and more. This year, grant support from the Foundation provided financial assistance to 174 youth who would otherwise not be able to participate in these programs.

GIVE TO RAISE UP LOCAL LEADERS

Leadership Susquehanna Valley (LSV) aims to provide education and programming to build and strengthen skill sets for emerging and established leaders in the Susquehanna Valley region. In an effort to equip its programs with a steady stream of revenue, LSV established an agency endowment fund with the Foundation, which will also help grow its programs through scholarships for young professionals, small businessowners, and nonprofit organizations.

Pictured above, Leadership Susquehanna Valley 2019 graduating class. Pictured below right, Leadership Susquehanna Valley Board of Directors.

“Leadership Susquehanna Valley is committed to raising up community leaders who are actively engaged with nonprofits. We hope to see many more graduates of the program and want to prevent money from ever becoming a barrier to leadership development in our community.”

Chris Berleth,
 LSV Executive Director

Create a Legacy

THE LEGACY SOCIETY

Unveiling the joy found in making the world a better place by providing much needed resources for our community's future

The Legacy Society

WHAT DOES YOUR LEGACY LOOK LIKE?

Philanthropy requires a generosity of spirit and the desire to improve the quality of life for others, both now and in the future. Through the Foundation, it's simple for you to establish meaningful impact through a planned gift to a current fund or your own named fund. Joining our Legacy Society only requires a thoughtful intention to make a lasting commitment to your community for the future. What better way to honor the passions and spirit of a family member or friend?

Leaving a legacy can include bequests, gifts of life insurance, or other types of charitable planned gifts. You can establish many types of testamentary funds including a designated fund that benefits a specific nonprofit, a field of interest fund that supports an area of interest, or a scholarship fund to benefit students at your local high school or alma mater, all to be distributed in perpetuity after your lifetime.

Choosing to make a planned gift reflects your ongoing commitment to your community and the causes you value most. Becoming a member of the Legacy Society gives you the opportunity to join like-minded people who are committed to supporting the needs of our communities.

For Good. For Ever.

GIVE TO REMEMBER YOUR ROOTS

Denny Peters credits his parents and grandparents with teaching him the many important lessons he learned throughout his childhood. As a way to honor the impact they had on his life, Denny established the Souder/Peters Fund to create a lasting legacy in the community where he was raised.

The **Souder/Peters Fund** provides grants for charitable purposes in the Columbia County area. Annually, grants will be given to local nonprofits, in the name of the Souder/Peters family, to serve those in need.

Pictured right is Denny Peters with Foundation staff members, Kara Seesholtz and Holly Morrison.

“My parents and grandparents always supported whatever goals I set for myself. They were always there for me, which mattered more than anything. I hope that the establishment of this fund will give other young people—especially those without positive mentors—an opportunity in life to reach their goals.”

Women's Giving Circle

GIVE TO EMPOWER, CONNECT, AND INSPIRE

In its second competitive grantround, the Women's Giving Circle (WGC) awarded \$20,000 to nonprofit organizations that invest in programs and projects supporting women and girls across the Foundation's 5 ½ county service area. This funding was made possible by the generosity of the WGC's members. The group hosted a dinner at La Primavera in Lewisburg on March 19th to present the grants and celebrate the impact of WGC.

WGC hosted a luncheon panel on "Groundbreaking Women" in January, where members and community participants heard inspirational stories of success from four local women: Bishop Barbara J. Collins of Upper Susquehanna Synod, Stephanie DiDomenico, realtor with Villager Realty, Erica Shames, founder and publisher of Susquehanna Life Magazine, and Nancy Marr, president and CEO of Marr Development and chair of the WGC Steering Committee. The luncheon was a special time to connect with leaders that follow their passions and reminded all that a group of women can make a big impact and empower their communities.

In October, WGC hosted its first fundraising event, the Lucky Last One, to help sustain and increase future grantmaking efforts. The event, held at the Silver Moon in Lewisburg, saw many lucky raffle winners, and three lovely ladies split the final prize of \$3,000. After a night of friendship and fall fun, WGC raised nearly \$8,000.

Giving Circles make sense because they provide a bigger impact on the causes the WGC steering committee and 70+ members care most about. By pooling donations, the group can do more than any could do individually. This dynamic group of women continue to engage in new relationships, provide valuable grants to local organizations, and share their passions with the community. You can join the movement—be inspired, be connected, be empowered!

Pictured below, the three finalists decide to split the prize money at the Lucky Last One fundraising event on October 10, 2019.

GIVE TO MEET REGIONAL NEEDS

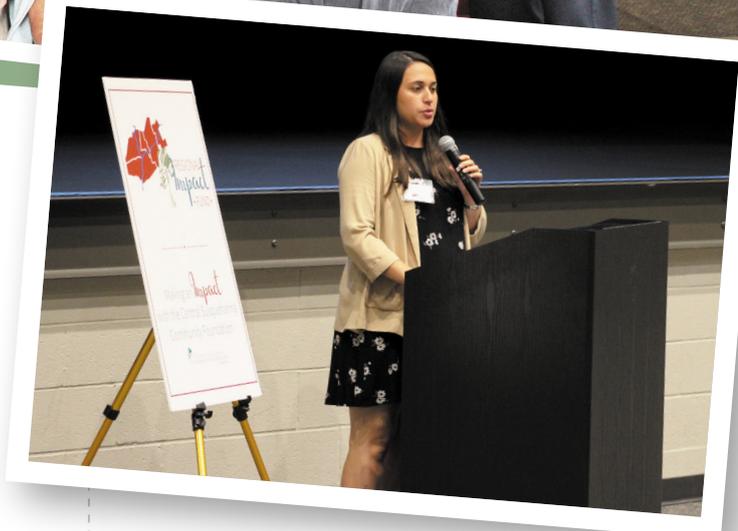

Regional, unrestricted giving is at the core of CSCF's mission—to enhance the quality of life in the Central Susquehanna Valley. As a community leader, it is our responsibility to evaluate all aspects of community well-being. With this goal in mind, the Foundation undertook a 5 ½ county-wide initiative to meet ever-changing community needs in a number of program and service areas. This work is supported by our unrestricted Regional Impact Fund, which provides the flexibility to address and respond to the most pressing local needs of today and tomorrow.

Over the last two years, the CSCF Board of Directors has committed a focus on this regional impact initiative. This summer, the Foundation introduced a new and exciting step to the grantround process—the Nonprofit Narrative. On July 29, the Nonprofit Narrative gathered together 23 finalists from the 2019 competitive grantround and provided them a platform to share moving stories of impact and grant requests to a CSCF panel, board members, and other community funders.

During the 2019 competitive grantround, \$50,000 was awarded to community organizations across our region. On August 15, the 14 grant recipients were celebrated at an after-hours grant awards event. CSCF remains committed to increasing future grantmaking through the Regional Impact Fund so that together we can provide an even greater response and impact in the years to come.

Youth in Philanthropy

GIVE TO EXPERIENCE PHILANTHROPY

Central Susquehanna Community Foundation's Youth in Philanthropy program, known as YIP, provides high school students across the region an opportunity to learn about philanthropy and participate in the grantmaking process. Focused on the meaning of philanthropy and the importance of getting involved, the YIP program allows students to gain experience in teamwork, assessment of community needs, building consensus, nonprofit finance and the local nonprofit world.

In partnership with faculty liaisons at local school districts, high school students volunteer to form YIP groups. Throughout the year, each group researches school-based and community needs and strengths, while exercising their leadership and decision-making skills. Contributions from generous community members allow each group to award up to \$5,000 annually in grants to nonprofit organizations for youth programs. Students create a plan to survey their community and develop criteria to prioritize their grant awards.

Corresponding with the academic calendar, the YIP program meets twice per year for day-long workshops hosted by the Foundation. In addition, school groups meet monthly. To celebrate community impact, the YIP program hosts a grant presentation ceremony annually in April.

Pictured below and opposite page, 2018-2019 YIP Students. Pictured opposite page, 2019-2020 YIP "Ready. Set. Go." Slogan.

Your Story of Community Giving Matters

Everyone has a story of giving. You have had—and will continue to have—the power to make a difference in many lives. The Central Susquehanna Community Foundation Staff and Board of Directors would like to take this opportunity to say *“thank you”*—your story is our story. You are a part of our Foundation family and its story of philanthropy.

We give for many reasons:

1. *Giving to causes you care about does not just benefit the charities themselves. It can also be deeply rewarding and make us feel good inside. When you give to those in your community, you add to their lives; and by adding to their lives, you add to yours as well.*
 2. *Giving to others strengthens our personal values. Many of us feel as though it is our moral duty to give, rooted in our personal values and principles growing up. Foundation fundholders and donors have spoken about their childhoods and how they were influenced by their families. These stories are filled with love, passion, and inspiration.*
 3. *Giving is more impactful than it ever was before. We all want to ensure our chosen charities are benefiting as much as possible from our support because so many of them are in desperate need of our dollars. When you give to a cause that you are passionate about, it helps to promote the mission of the organization.*
 4. *Giving is gratifying because it introduces the importance of giving to the youth in our community and influences our circle of family and friends to do the same. Many of the Foundation’s generational family fundholders will confirm that “family giving” creates a bond which helps to bolster relationships through a shared goal. “Family philanthropy” is something that shows our siblings, parents, children and grandchildren that they can make a positive change in the world.*
-

Philanthropy requires a generosity of spirit and the desire to improve the quality of life for others in our community. By talking about our passions and sharing our philanthropic stories, we directly influence the people around us and help to create opportunities for others to follow suit.

We are proud of the Foundation Family

We are looking forward to our “story sequel” in 2020...
may it be filled with *kindness, peace, love*, and even more *stories of giving*.
