Pennsylvania Partners in the Arts Overview
Pennsylvania Partners in the Arts (PPA) is a partnership between local organizations and the Pennsylvania Council on the Arts (PCA). Operating in all 67 Pennsylvania counties, PPA Partners re-grant PCA funds to support a wide variety of local and community arts activities. PPA goals include:
• Expanding constituent access to the arts by (a) making arts programs available to communities that may have been underserved in the past by state arts funding, and (b) supporting a wide variety of arts activities in communities, developed in a variety of local settings.
• Encouraging and supporting local decision making in regranting of arts dollars.
• Increasing awareness of and advocacy for government support and funding for the arts at the local and state levels.
• Enabling the PCA to provide increased assistance to its broad constituency throughout the state.

Entry to Program Stream Description
Entry to Program Stream is for organizations or programs with average annual revenue of less than $200,000 that aim to ultimately be recommended for support through PPA Program Stream. Entry to Program Stream supports eligible applicants that have a history of at least one year of consistent arts programming. Generally, grant amounts will range from $2,000 to $3,000, and grant funds may be used for operations, programs, or projects.

Eligibility
Applicants must:
• Be a nonprofit, tax-exempt corporation, a unit of government, or school district providing arts programming and/or arts services in Pennsylvania. Applicants are required to provide proof of incorporation and activity in Pennsylvania before applications are reviewed or funds awarded. Unincorporated groups must apply through a nonprofit, tax exempt corporation that acts as a fiscal sponsor. The fiscal sponsor is legally responsible for the administration of the contract, including all reporting requirements, and may charge a fee for its services. Applicants applying through a fiscal sponsor organization must meet the same requirements as other applicants, except for nonprofit status. The fiscal sponsor is responsible for any award. The fiscal sponsor receives the award check directly from the designated PPA Partner and is responsible for ensuring the completion of the final reports.
• Have an average annual revenue of less than $200,000.
• Have a history of at least one year of consistent arts programming.

Matching Requirements
• All grants must be matched on a dollar-for-dollar basis in cash.
• In-kind goods and services may not be used to match PCA funds.
• Entry to Program Stream grant funds cannot be used to match other PCA grants.

Appeals Process
PPA Pennsylvania Partners in the Arts (PPA) recognizes that errors may occur in the PPA application process. PPA is committed to acknowledging any errors and responding to rectify the effects of an error. The appeals process enables applicants to identify these errors and omissions and bring them to the attention of the PPA Partner. Appeals to the Board of the designated Partner may result in an increase in the PPA award amount if the applicant can satisfactorily document that the application was misrepresented or improperly reviewed through no fault of the applicant. Appeals are awarded only if the error or omission had a substantial effect on the evaluation and assessment of the advisory panel.

Appeals are not intended to provide the applicant with an opportunity to challenge the evaluation and assessment of the advisory panel. Disagreement with the judgment of the advisory panel or the amount of the award is not grounds for an appeal.

Applicants considering an appeal should contact their PPA Partner for advice and guidance. The appeal of an award decision must be made in writing ten business days from the date of the notification of the award from the Partner. Letters of appeal should be addressed to the PPA Partner. The letter should identify the error or omission and the effect such error had on the recommendation of the advisory panel. Partners must immediately forward an appeal to the PCA’s PPA Program Director. If the appeal is supported by the Partner, funds will be awarded only if they are available.
