## YOUR FOUNDATION LEADERSHIP

*Serving as a connector, collaborator, and changemaker to transform our region*

**YOUTH IN PHILANTHROPY.** Students met in February to present the results of their needs assessments and prepare for their youth-led grant round. During the sessions, students engaged in an interactive community development activity with representatives from Berwick and Sunbury’s Blueprint Communities. Join us on April 15 for a year-end celebration as students award \$100,000 in grants across the region. Learn more and register online at [csgiving.org/events](http://csgiving.org/events).

**CONNECTING RESOURCES.** As the Foundation continues to convene and connect nonprofit partners, conversations continue around food insecurity as a regional top need. We were honored to connect the Central PA Food Bank with Amazon to secure a hunger mapping initiative for Columbia & Montour Counties, a meaningful step forward for our region.

# Events & Resources

The Foundation’s Annual Meeting on March 11 was a wonderful morning of celebration as we highlighted an impactful year in community giving. As a culmination of last year’s strategic plan work, we were thrilled to welcome consultant Mike Goorhouse as a guest speaker to help introduce a new 3-category framework that describes our work and mission: **Your Community Endowment**, **Your Giving Services**, and **Your Foundation Leadership**.

Check out our **2025 Annual Report**, now available online at [csgivingreport.org](https://csgivingreport.org).

This publication explores the Foundation’s new framework in greater detail and shares a financial snapshot from our year.
